DISTRICT**

*It is our mission to provide  
safe, high quality water and  
sewer services to our  
community.*

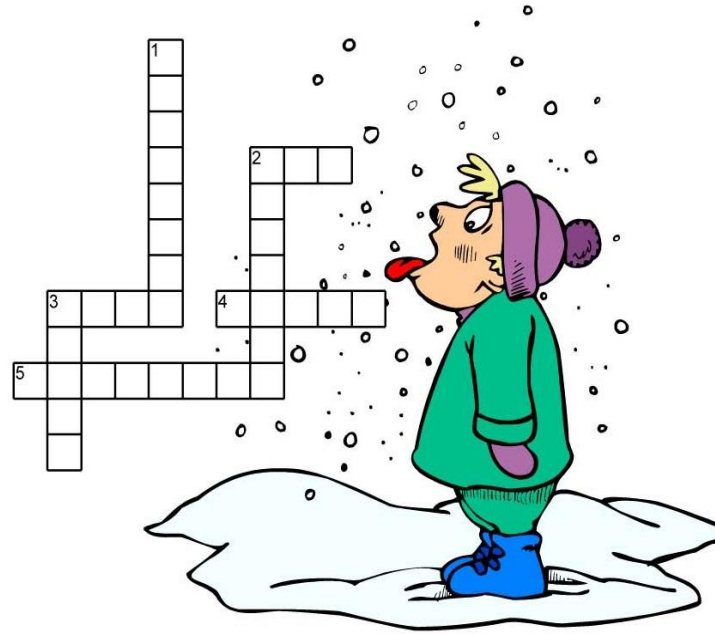

## FROZEN PIPES

As the chilly embrace of winter is upon us, we encourage you to safeguard your home against the effects of plummeting temperatures.

While the frosty season brings its own set of joys, it also brings the risk of frozen and broken pipes and flooding, which can lead to costly repairs and inconvenience. We encourage you to take proactive steps in winterizing your home. With a little preparation, you can help your pipes remain free from the icy grip of winter and be prepared for emergencies that can leave you without water.

- Make sure everyone in your household knows where your shut off valve is in case of an emergency.
- Cover/wrap outside faucets and foundation vents.
- Insulate pipes in unheated areas.
- Update your email and telephone contacts so we can reach you in an emergency.

## Winter Weather!

### Across

2. \_\_\_\_ is very slippery and dangerous when on the sidewalk or street.
3. This fluffy white stuff falls from the sky.
4. This unpleasant stuff is a cross between snow and rain.
5. Wear these on your ears to keep them warm.

### Down

1. This big vehicle clears the snow from the streets.
2. These long stems of ice can form on the edges of a roof.
3. Wrap this around your neck to feel cozy when it's cold outside.

## Go Paperless!

Going paperless is the simplest way to get your water/wastewater bill.

Instead of a monthly paper bill, you'll receive an email with your amount due, due date, and details of usage for that billing cycle.

If you're interested, send an e-mail to :

[LeavittCSD1@frontier.com](mailto:LeavittCSD1@frontier.com)

And mention, "**Paperless**" and we will save your email to our billing registry for all your future billing.

Give us a call at 530-257-7977 for further details and information.
