

Announcements

Please remember, bills are generated the last day of the month and are due by the 18th of following month.

If not paid by then there will be a late fee added to your bill on the 19th of 10%.

As we all know the mail service out here has been something of concern. This is neither the LLCSD's fault nor yours. But, since everyone knows your bill is due by the 18th any late fees on your bill, from this point forward, will not be reversed.

If you haven't received a bill by the 5th you can call us and find out your balance.

Dates to Remember

October 9th - Office Closed in observance of Columbus Day

October 18th - Bills are Due 4:00pm to avoid a 10% Late Charge

October 24th - 4:00pm Board Meeting

Who We Are

*It is our mission to provide
safe, high quality water and
sewer services to our
community.*

Behind on your water or wastewater bills?

What is LIHWAP and how can it help?

EXTENDED TILL MARCH 2024

All Californians deserve access to safe and clean water, and many households need assistance now.

LIHWAP stands for the Low Income Household Water Assistance Program and it may be able to help you pay your water or wastewater utility bill.

LIHWAP is a federally funded program that offers low-income households a one-time payment to help pay outstanding bills for residential water or wastewater costs. In the wake of the COVID-

19 pandemic, the federal government awarded California funding to help households struggling to afford the costs of water, and many Californians in need may qualify.

The amount of help that you may get will depend on the past due balance of your household's residential water and wastewater bills. Households whose utility payments are included in their rent may also be eligible for LIHWAP.

In addition, program participation is limited to households receiving services from water and wastewater providers enrolled in LIHWAP to receive the payment of assistance benefits.

LIHWAP can offer a one-time payment to help you:

1. Pay your residential water and wastewater utility bills.
2. Manage an emergency or water crisis, such as a service disconnection.
3. Prevent other adverse effects such as debt collection or placement of liens.

Go Paperless!

Going paperless is the simplest way to get your water/wastewater bill.

Instead of a monthly paper bill, you'll receive an email with your amount due, due date, and details of usage for that billing cycle.

If you're interested, send an e-mail to :

T.Lovin@LeavittLakeCSD.com

And mention, "**Paperless**" and we will save your email to our billing registry for all your future billing.

Give us a call at 530-257-7977 for further details and information.
