
Behind the Newsletter

Hello there!

If we haven't met, it's most likely due to the change Covid abruptly forced us to adjust to.

...Social Distancing...

Near crash, slam on the brakes to our once normal life we use to live. Basically forcing us to adopt a whole new way of life.... A life filled with automating EVERYTHING...

So, if we haven't met, it's because you haven't stopped in the office to drop off a payment for..... Well. An.. Entire... Year....

That's right; I've been working at Leavitt Lake Community Services District for an entire year. Actually, a year plus some already.

Let's get back to some normal humanity and connections by getting out of the house and stop in the office to say Hi during normal business hours.

Monday – Friday 7:30 am - 4:00 pm.

See you soon!

"We failed to properly anticipate the inflation surge."

On May 23rd the board unanimously voted towards keeping the surcharge for an additional 6 months.

What that means to you?

The district started the surcharge with your February billing cycle and was to end with your June 2023 billing cycle. While closely monitoring the district's financial status, the board unanimously voted towards extending the \$10.00 surcharge for an addition 6 month, ending with your January 2024 billing cycle. At that time the surcharge will be revisited and decisions will be made in accordance to the district's financial status.

This fee will help reduce the size of the budget deficit.

This Surcharge is to accelerate the recovery of our financial status due to continued inflation.

School is out! Road Safety Tips

- * Remember that playground speed limits remain in effect year-round. Observe carefully when driving around playgrounds and parks.
- * Small children are less predictable and harder to see than adults.
- * Pay attention and always anticipate the unexpected.
- * Always watch for small children as you are backing up.
