

## LEAVITT LAKE REPORTER

It won't be long before our district will be bustling with activity. Construction is to begin soon (just about the time school is going to be out for summer). Construction sites will include the lift station on Tamarack Street and at the ponds.

We all need to remind our children that the traffic is going to increase and to be careful when playing in the streets.

We will also remind the construction crews to drive carefully throughout the district.

### BOARD MEETINGS

Our district has open public meetings every third Tuesday of the month. They are held in the office at 4:00 PM.

We encourage you to attend the meetings and keep informed of what is happening in your community.

### BE RESPONSIBLE FOR YOUR ANIMALS

We have had some complaints about dogs running loose and even dogs being walked in the neighborhood. When walking your dog don't let them use peoples yards for the bathroom or at least bring a bag and pick up after it! If you have dogs, please keep them confined to your yards. We have even had dogs going into homes through the doggie doors!

### SPRING CLEANING TIME!

It's been a long wet winter, but good weather is coming soon. It will be time for all of us to clean up around our homes.

Some insurance companies have been checking on the properties they insure and have been instructing the insured as to what must be done to continue to have insurance. Some have to trim trees, paint their houses and remove all rubbish.

### In The Old Days

In the old days, we could leave our doors unlocked, things sitting outside and could even leave our keys in our cars. Not so much anymore. Throughout Susanville –there have been numerous vehicles stolen so be careful!

Don't leave any valuables in your cars and lock them. It is a good idea to have lighting at night too.

## SHAFFER ELEMENTARY

Eighth grade graduation ceremonies are on June 1, 2017. The kindergarten graduation is on June 2, 2017 and that ends the school year at Shaffer!

## LEAVITT LAKE HEAD START

Another year is ending for our children who attend the head start program here in Leavitt Lake.

On May 5, 2017 the children that will be attending kindergarten in the fall, will take a bus ride to Shaffer school and will have lunch there.

On May 24, 2017 a barbeque for the children and their parents will be held in the park from 10:00 AM to 1:00 PM for the last day of school celebration.

I would like to thank the staff at the Leavitt Lake Head Start as they do a wonderful job with our children. We are so fortunate to have this program here in our community!

## HELP TAKE CARE OF OUR PARK

The park is a community park. It is a place for our kids to play and for us to enjoy as well. It is not a place to take your dogs to use as a bathroom. Your dogs are welcome to go there to run and play, but please take a bag along with you and clean up after them.

Please put your trash in the containers provided. If you break a bottle, take the time to clean it up so a child doesn't get hurt. We all should clean up after ourselves!
