## Leavitt Lake Community Services District

It is our mission to provide safe, high quality water and sewer services to our community.

## Meet our LLCSD Manager

**Carrie**

Carrie has worked at LLCSD for the past year and a half. She is currently working on obtaining for wastewater license and helps ensure that the district is running smoothly. When Carrie is not working for the district, you can find her with her family, friends and exploring the outdoors.

## Water Myth vs. Fact

**Myth:** Pouring grease down the drain with hot water keeps it from clogging pipes.

**Fact:** Grease may go down the drain as a liquid, but it cools and hardens inside pipes, causing blockages in sewer lines.

Instead, allow grease to cool and dispose of it in the trash.

A reminder from Leavitt Lake Community Services District.

## Community Appreciation

The Board of Directors and staff at Leavitt Lake Community Services District would like to thank our community for your continued support. Living in a small community means neighbors helping neighbors, and we truly appreciate residents doing their part to care for our water and sewer systems. Your cooperation and understanding help us keep services running smoothly for everyone. We are proud to serve the Leavitt Lake community and grateful to be part of it.

## Where Your Water & Sewer Bill Goes

Your monthly payment helps maintain and improve the essential services that keep our community running. At Leavitt Lake Community Services District, customer payments support:

- Maintenance of water and sewer lines
- Operation and upkeep of lift stations and pumps
- Water system monitoring and testing
- Repairs and emergency service response
- Infrastructure improvements and equipment

These services help ensure safe, reliable water and sewer service for the entire community.

Thank you for supporting your local district and helping us maintain the systems our community depends on every day.
