Leavitt Lake Community Services District

It is our mission to provide safe, high quality water and sewer services to our community.

Winter REMINDER

As winter approaches, Leavitt Lake Community Services encourages residents to take a few simple steps to prepare their homes for cold weather.

Insulate exposed pipes, disconnect outdoor hoses, and ensure your heating system is working properly.

Seal drafts around windows and doors, and make sure smoke and carbon monoxide detectors are functioning.

Preparing now can help prevent damage and service interruptions during winter conditions. Stay safe and warm this season!

— Leavitt Lake Community Services
