

Leavitt Lake Reporter

June 2017

FARM ANIMALS?

Each year we always get complaints of people having farm animals in their back yards.

We have in turn always allowed "small animals" ***IF IT WAS BEING RAISED FOR 4-H.***

We are once again receiving complaints about chickens and geese being kept.

We all know

that chickens cackle when laying eggs and roosters crow when the sun comes up and this can be annoying if your neighbors are trying to sleep or if they have dogs that start barking because of the noise.

So please be courteous to your neighbors and if you have any farm animals, you need to give them up after the fair.

If you have any questions or if you would like a copy of the districts restrictions, please call the office at (530) 257-7977.

Chickens can be noisy.

CONSTRUCTION TO BEGIN IN AUGUST

Because of all the rain we had this year, our water table is high. Because of this, construction will not begin until August.

Everything should be completed by December 2017.

JULY BOARD MEETING

The July board meeting will be held on July 18, 2017 at 4:00 PM in the district office.

Everyone is welcome

CONSUMER CONFIDENCE REPORT

The Consumer Confidence Report is the results for the samples of Leavitt Lake water that the

district has sampled for throughout the year 2016, or the last sample taken.

If you

should have any questions, please contact our office and we will be glad to help you.

THE PROCEEDURE FOR LATE PAYS

There seems to be some confusion regarding how the district's billing system works. So to clarify things this is how it goes: We bill at the end of each month, so you use the service all month, then you are billed for it. For example: June billing is mailed on June 30th. You should receive the bill the first few days in July. So you will be paying June's bill in July.

Bills are due and payable when you receive them in the mail but the due date is the 18th of each month. On the morning of the 19th, if the bill is not paid, a late fee of 10% is added and a disconnection letter is mailed. Another date will be given in this letter. If not paid within 24 hours of this date, a door hanger (with another fee of \$5.00) will be put on your door.

The entire amount on the door hanger must be paid within the time frame or your service will be terminated. To have the service restored, **THE ENTIRE BALANCE -PLUS A RECONNECTION FEE OF \$91.95 MUST BE PAID.** If you do not have a deposit on file, you will also have to pay another deposit to have the service restored.

We do understand that sometimes things beyond our control happen and a payment is late. If you know that you are going to be late, call the office to make payment arrangements. Of course this cannot be on a regular basis but is for emergencies. ***No arrangements can be made after you receive a door hanger!***

We have a drop box by the front gate. If it is after hours or on the weekends, you can put your payments in the box. If we are not in the office, you can leave your payment in the drop box. We do not recommend putting cash in the box but if you must, you can put it in there and then call one of Leavitt Lakes staff members and we will make sure it is taken from the box.

As a reminder, the district does not have the capability of taking a debit or credit card. All payments must be cash, cashier's check, money order or personal check.

If you have any questions regarding the billing or late pay system, please call the office and we will be more than glad to go over them with you.
