Billing

This month we have had 6 customers that are 2 months behind on their bills and 5 customers that are 3+ months behind. In total, we are missing just under 4,000\$ as a business. In order to pay our bills we need customers to pay their bills. \$4,000 affects our business drastically. To avoid late fees, termination fee's and disruption in your services, we ask you kindly, please pay your bill in office, online, or by check in the drop box. If you need an extension and want to avoid a late fee, please call our office at 530-257-7977. We are open Monday- Thursday 9-3:30 & Fridays from 9-12:00.

Leaks

Now that spring has sprung, we hope you will properly address your sprinkler systems, outdoor spigots and make sure you have no leaks. A small leak will eventually be very costly if not fixed. Also, we want to prevent wasting water at all costs. If you think you may have a leak, please contact us immediately to have your services turned off until the issue is resolved. DO NOT turn your water off your self or you may be liable for the cost of the break at the box. If you have an emergency over the weekend or after hours please call our after hours phone number at 530-250-5209.
