

## *Cleaning Up Our Neighborhood*

It has come to our attention here at Leavitt Lake Community Services District the county will start to enforce the Weed abatement program. They will be issuing fines for un-kept properties. We recently had another fire over on Buffum lane that was put out very quickly. (We are so grateful!) The property was over grown with weeds and the fire could have easily jumped Buffum and started catching the district on fire. At Leavitt Lake Community Services District we take pride in our community and would like to see the home owners and tenants in the district do the same.
